

GIFT MEMBERSHIP FORM

A **Gift Membership of the Friends of the Stirling Smith** for your friend or family member will bring them regular mailings with newsletters, information about the Friends' activities and what's on at the Smith Art Gallery and Museum, as well as invitations to exhibition openings and other events.

Their subscription will last for one year from the date of joining, or for life in the case of a Life Membership. All subscriptions are used directly in support of the Smith.

To set up a Gift Membership, please complete a **Membership Application Form** in the name of the recipient. Membership subscriptions cost from £10.

Then complete the tear off section of this **Gift Membership Form** with your own details and indicate who it should be sent to. The gift card can either be sent to you to give to the recipient or can be sent directly to the recipient.

Send both forms, with your payment, to the Membership Secretary.

Membership Application Forms and Gift Membership Forms are also available on the Friends of the Smith website:
